## North to Alaska!

Early in the month of February I was honored to be invited to minister at a conference on the Holy Spirit for the

Assemblies of God for the District of Alaska along with Dr. R.T. Kendall and Dr. Dave Thomas. I was asked to preach on the Holy Spirit and divine healing.

Alaska was the cradle of our ministry. It was born and nurtured there. We were sent out from Alaska to the nations! It was a joy to see so many dear friends once again.

The Lord gave me boldness and clarity to present the message of faith and divine healing as secured through the atoning work of Jesus Christ in such a way that it made a profound impact on those present. We praise God that the Word of God went forth with boldness and demonstration of the Spirit and power.

On the last evening, we ministered healing for many and also prayed over many prayer cloths brought by those who came.

Jesus is Lord over Alaska!

DAILY DEVOTIONS WITH  
**REV JOE PURCELL**

## TESTIMONY

by Ps. David Maxey, Khabarovsk, Russia

I want to thank you for your teaching on the Power of a Seed. There was a period of time when I listened to your message on the "Power of a Seed" scores of times (probably at least 20-30 times).

In the face of apparent defeat, I began speaking the Word over our finances. Nothing seemed to happen at first, but then God connected us with His provision! God is faithful to His Word!

Thanks to the seminar you conducted here in October, these truths have borne fruit in my life. You were led by the Spirit! Thank you and thank the Lord!

# RHEMA *Singapore*

Raising Leaders. Sending Workers. Harvesting Souls.

Praise the Lord! Our spiritual daughter, Vera Ivanova (2008 alumna), has recently been ordained as the Assistant Pastor at Fountain of Life Church in Khabarovsk, Russia!

"Vera is an anointed pastor. You can feel the pastoral anointing oozing out of her, even though she has just started! She has such a heart of love and compassion for people. She is excellent in counseling people one-on-one. Most of all, she loves Jesus with all her heart! In every way, she is more than qualified and it is nothing short of a HUGE blessing to us and the church!"

Ps. David Maxey  
Fountain of Life Church.

Then he said to his disciples, The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. - Matthew 9:37-38 -

The Dean of RBTCS met up with some alumni in India and ministered amongst leaders and pastors of various churches! Others are involved in Evangelism, Youth Ministry and taking the responsibility to strengthen local churches in India! Read more at [www.rhema.org.sg](http://www.rhema.org.sg) > Friends > Alumni.

"There is not even a day where we don't think about RHEMA Singapore. It's because of what the Lord did in us, by His grace, through RHEMA Singapore, that we were able to minister now."

Ps. Samuel David.

Gyan Basumatary  
2010 Alumnus

Pastor Nehemiah David  
2009 Alumnus

Pastor Samuel David  
2007 Alumnus

Our current student, Joy, and her husband Gyan, 2009 alumnus, held a Leader's Conference in India where they taught about 50 pastors and layleaders of a Lutheran church. 10 women from a nearby Women's Weaving Centre accepted Christ! They also visited seven village churches where villagers would turn up despite a long day of farm work, reflecting how much they wanted to hear the Word of God. 🙏

## Online Contribution

Contributions for the support of Rev Joe & Mary Purcell and Joe Purcell Ministries are tax-deductible to U.S. donors.
